

LPCI SCHOOL COUNCIL

Dear Parents/Guardians and Students,

Lawrence Park Collegiate Institute School Council for 2019-2020 welcomes you to LPCI! The mandate of all school councils is “to improve student achievement and enhance the accountability of the education system to parents”. With that as our objective, the LPCI School Council plays an advisory role, consulting with the parents of students enrolled in the school about a variety of matters and making recommendations to the Principal of the school and the TDSB.

Most of the members of School Council are parents, some who volunteer for positions such as co-chair, treasurer, secretary, and webmaster. In addition, the Principal, liaisons from Student Council, a representative of teaching staff attend School Council meetings. We invite all parents of LPCI students to attend our meetings and speaker nights. We are scheduled for **September 16th, October 28th, and December 2nd of 2019 and February 3rd, March 30th and May 11th of 2020.**

At our meetings, we get an update from Student Council, the Principal and co-chairs. We also have presentations and discussions related to the curriculum and course selection, student achievement and wellness, post-secondary planning and careers. We will continue to keep you informed about our meetings and school activities through school council emails. We encourage parents to register to receive our SC emails by visiting our website <http://www.lpschoolcouncil.com/>. Our website also posts minutes of our meetings, notices about our activities and a variety of helpful education and community references. Only one tap away!

Sincerely,

Lawrence Park School Council
